

# Annual Governor Report to Parents & Carers 2024-25

## Tre Uchaf Primary School

September 2025

---

**Belong- Believe- Be the  
Best you can be!**

On behalf of the Governing Body, I am delighted to present the Annual Governors' Report to Parents for the academic year 2024–25.

This report provides an overview of the school's progress over the past year and is one of the ways we share important information with you about our achievements and developments.

The Governing Body is a dedicated group of volunteers who work closely with the Head Teacher to support the strategic and financial management of the school and to set clear aims and objectives for its continued growth. Our shared goal is to ensure that every child receives the highest quality education in a community school we can all be proud of.

We are thrilled to highlight our excellent Estyn inspection in June, which placed a spotlight on our strong provision for Additional Learning Needs (ALN), our inclusive approach, and our commitment to developing oracy across the school. These areas reflect the values and priorities that underpin everything we do at Tre Uchaf.

We are extremely fortunate to have such a professional and dedicated team of teachers and support staff, led by our Head Teacher, Mrs Louise Davies, and supported by the Senior Leadership Team. Their commitment ensures that every child receives the care, support, and learning opportunities they need to thrive, with their welfare and well-being always at the heart of our work.

On behalf of the Governing Body, I would like to extend a heartfelt thank you to the entire Tre Uchaf community—the Head Teacher and staff, our wonderful children, and the families and community members who support them every day. Together, we continue to live our motto:

**'Belong – Believe – Be the best you can be.'**

# Tre Uchaf School Vision

## Belong- Believe- Be the Best you can Be!

### **Our Vision for Tre Uchaf Primary School**

- *Everyone belongs to our school family. We encourage all our children to believe in themselves and to be the best they can be! We will nurture, empower and inspire children, value their contributions, and give them every opportunity to shine. We will help them to build confidence, knowledge and a love of learning. Together they will learn today for a better tomorrow!*

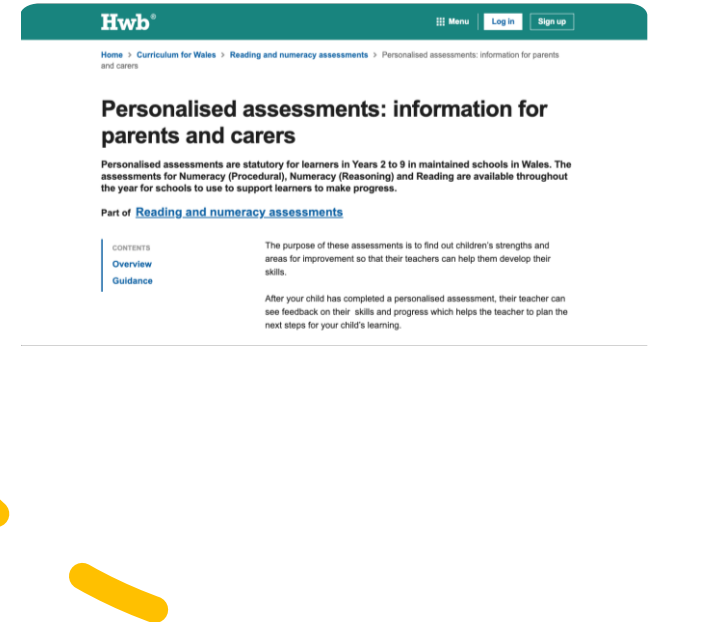

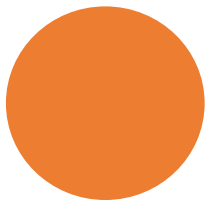

# School Performance

- Now we have moved into the New Curriculum for Wales, it marks a significant shift in the role of assessment within education, at both a national and school level. The purpose of assessment is to support each individual learner to progress at an appropriate pace, ensuring they are supported and challenged. The Curriculum for Wales (CfW) sets out the three key reasons for assessment :
  - ❑ Support individual learners on a day-to-day basis
  - ❑ Identify, capture and reflect on individual learner progress over time
  - ❑ Understand group progress in order to reflect on practice
- To enable this approach to assessment, aspects of the previous arrangements have been removed and new requirements have been introduced to ensure that supporting learners to make progress over time is at the heart of assessment. More information can be found here;
- [Assessment guidance](#)

# Assessment

- There are robust assessment arrangements in place at Tre Uchaf Primary School. The school staff draw upon a range of information to support our children appropriately. Parents receive regular information on their child's progress through Parents' evening twice a year and an annual report in July. We monitor the well-being of our children to ensure they are getting the support they need to have the best life opportunities. This helps to inform what the child does next.
- Assessment arrangements include:
  - ✓ Foundation Phase Profile in Nursery and Reception
  - ✓ Day to Day formative assessment
  - ✓ Year 1 MIST analysis
  - ✓ National online personalised testing twice a year
  - ✓ Termly reading and spelling assessments
  - ✓ No more marking writing assessment from Year 1 upwards
  - ✓ Learner Progress meetings
  - ✓ A shared understanding of the principles of progression
  - ✓ Boxall profile online when needed

## Personalised assessments: information for parents and carers

Personalised assessments are statutory for learners in Years 2 to 9 in maintained schools in Wales. The assessments for Numeracy (Procedural), Numeracy (Reasoning) and Reading are available throughout the year for schools to use to support learners to make progress.

[Overview](#)  
[Guidance](#)

The purpose of these assessments is to find out children's strengths and areas for improvement so that their teachers can help them develop their skills.

After your child has completed a personalised assessment, their teacher can see feedback on their skills and progress which helps the teacher to plan the next steps for your child's learning.

# Additional Learning Needs

- This information should be read along with the Additional Learning Needs and Educational Tribunal Act Wales (2018) which guides and informs our practice at Tre Uchaf Primary School.
- <https://gov.wales/additional-learning-needs-aln-system-parents-guide-html>
- The academic year beginning September 2022 was a key transformation year which included transferring Statements of Special Educational Needs to Individual Development Plans in mandated year groups.
- At Tre Uchaf we believe all children should have the support and opportunities to succeed and achieve their full potential. We have a diverse team of teaching, and non-teaching staff who play their part in identifying and supporting learners with Additional Learning Needs.
- Our classrooms, and wider school environment, are inclusive to all learners. We ensure a range of Universal support, and resources are available at all times. For example, language rich classrooms, visual timetables and concrete resources are available in all classes to support pupils' learning and development.
- We aim to identify pupils at the earliest possible opportunity. Once we have identified children in need of additional support beyond a Universal level, we work together to provide short term, targeted interventions. Class teachers meet with the ALNCo formally at the start of each term to discuss pupils in need of targeted support. Teachers are also able to meet with the ALNCo at any point in the term if they have concerns or information that needs to be discussed. Parents will always be informed of any additional support their child receives.

As a parent, you may be concerned about your child having  
**ADDITIONAL LEARNING NEEDS**  
Getting support: a *step-by-step* guide

**1. Speak to your child's teacher.**

If you think that your child has Additional Learning Needs (ALN) talk to your child's teacher or ALN Coordinator (ALNCo).

**2. Create an Individual Development Plan (IDP) together.**

If the school agrees with you that your child has ALN, the school will work with you and your child to create an IDP.

**3. Discuss any concerns with the school or local authority.**

If the school does not agree that your child has ALN, or you are dissatisfied with your child's IDP, discuss it with the school or local authority.

**4. You can have access to an advocate.**

If the local authority agrees with the school but you are still unhappy, they can point you to independent advocacy services.

**5. You have a right to appeal.**

All children and young people and their parents or carers have the right to appeal against decisions to the Education Tribunal of Wales (ETW).

# ALN continued...

- Targeted support aims to develop the skills and abilities of our pupils in a wide range of areas, including co-ordination, speech and language, self regulation, etc. This support is implemented by Teaching Assistants, who monitor progress closely and feedback frequently to class teachers. If pupils do not make progress despite targeted intervention, then next steps are discussed with parents and the ALNCo.
- Possible next steps could be to involve an outside agency, such as the Education Psychologist, Behaviour Support Teacher or Speech and Language Therapy Service. This could be to seek advice or request direct involvement. The ALNCo will support class teachers in implementing any advice, strategies or programmes provided by an outside agency. The ALNCo will also liaise with agencies and parents, to arrange meetings and reviews as necessary.
- If pupils are not making progress, despite universal and targeted support, then the decision may be taken to gather evidence to inform whether an Individual Development Plan needs to be written for the child. An IDP provides individualised outcomes for children to achieve, and outlines the support they will have to help them.

- When a parent, carer or member of staff has a concern related to the academic progress, emotional development or medical condition of a pupil, they bring their concerns to the ALNCO. The ALNCO, appropriate staff members and parents then meet to discuss the pupil and decide on a course of action.
- Identified pupils would follow a graduated response where progress would be monitored over a short period of time. If progress was limited and the gap between peers was significant a decision would be made to progress with the writing of an IDP.

# How is the ALN Register Constructed?

# Arrangements for the teaching of Welsh

- Tre Uchaf Primary is an English medium school and communications with parents is provided in English. Welsh is taught as a second language from Nursery age. The New Curriculum for Wales requires children to develop skills in reading, writing, speaking and listening in Welsh.
- Tre Uchaf school aims to use the Welsh language so that children hear and see it as often as possible. It is given a prominent role in many school activities and the school received the Siarter Iaith Silver Award in March 2025.
- Children at Tre Uchaf have an opportunity to learn about Welsh culture and heritage such as St David's Day, Shw Mae Day, etc.
- Welsh is supported by our new athrowes Bro, Cheryl Richards. She visits school regularly to support teachers and pupils to develop the Welsh language.

# Arrangement to teach sport

- We offer at least 1 hour of physical education each week. This can be in the form of swimming, Zumba, gymnastics or PE lessons. Teams take part in different sports competitions and every year 2 children in Year 5 are trained as Young Bronze ambassadors.
- The school organises 'The Greg Rees Tournament' every year, and local schools are invited along to participate in football, rugby and netball. By the time pupils leave Tre Uchaf we aim for them to participate in 2 residentials.
- The school has a football, netball and basketball team.

# Breakfast Club

- Our **FREE** breakfast club starts at 8.20am. The children in Nursery to Year 2 are situated in the hall and Years 3-6 are in our gymnasium building.
- The children can choose to have toast, cereal or fruit and water or milk.
- If parents would like children to attend before 8.20am we ask for a £1 payment per child to help cover the staffing costs. Breakfast club staff are available from 8am.

# Pupil Voice Groups

- There are four Pupil Voice Groups in school. These are linked to the four core purposes of the curriculum. They are:
- Beee Citizens
- Healthy Bees
- Criw Iaith
- Creative Bees

The pupil elected chair and vice chair of each group make up our school council and they meet with the headteacher every month. The school council write a Pupil Power Plan which they work towards.

# School Council

- The school council meet with Mrs Davies at least once a month to discuss the school development plan. They feedback on any decisions made during the other pupil voice groups.
- The school council meets with Mrs Rees, chair of governors, at least once a term.
- The school council are currently working on their own Pupil Power Plan which is often linked to the SDP.

# School Prospectus

- The school prospectus is reviewed and updated every year in September. This is posted on our school website. The prospectus contains information about the school and outlines the aims and vision of the school. For a full copy of the prospectus please ask Mrs Seager in the school office or visit the school's website.

## Session Times

The school door opens from 8.40am every morning for children to have a relaxed approach to coming into school. Registration is between 8.50 and 8.55am.

# Secondary School

The transition between Primary to Secondary school is key. 97% of our pupils in Year 6 moved to Penyrheol Comprehensive school and transition arrangements start from Year 5. Throughout Year 5 and 6 the children attend the comprehensive school and take part in Maths and Science Challenges, transition council meetings, taster days in both Year 5 and 6 and sports events etc. The Year 6 children also watch an expressive arts performance and take part in a question-and-answer sessions with past pupils.

An annual open evening for Year 6 parents takes place in Autumn Term and Mr Benney the headteacher comes to visit Year 5 parents in Spring term.

## Summary of priorities 2024/25

National priorities underpin our school development:

- improving pupils' progression by ensuring their learning is supported by a range of knowledge, skills and experience
- reducing the impact of poverty on learners' progression and attainment

# Progress on our School Development Plan

- Parents are made aware of the focus via weekly newsletters, parent meetings and our school website. A full copy of the SDP is available in our school office if parents wish to read it in more detail.
- OUR SDP runs from September to July. Our targets are devised by ;
  - End of year analysis and data from national tests
  - Teacher assessments
  - Staff and governor reviews
  - Estyn Recommendations
  - Parent, staff and pupil questionnaires
  - Monitoring and AOLE plans
  - Senior leadership team observations
  - External advisors

# Strategic Equality Plan

- The school's Strategic Equality Plan - SEP - is reviewed every three years and was reviewed in Spring 2025. It identifies access needs in order that the school may continue to be inclusive to all. This has been used to inform the LA of school priorities in this area.
- All visitors are asked to inform the office if they have specific needs and we endeavour to meet requests.
- A copy of the SEP is available from our school office.

# Toilet Facilities

Tre Uchaf Primary provides adequate toilet facilities throughout the school. The school recognises that well-maintained toilet facilities where learners feel comfortable and safe and have open access to throughout the school day, are essential for health, well-being, and learning.

Toilets and washroom facilities are open and available to learners throughout the school day. They are suitable for the range of anticipated users, including learners with disabilities and additional needs, with adequate lighting, fixtures and fittings.

There is a “Big Girls’ Toilet” for the use of year 5 and 6 girls. This is equipped with appropriate sanitary disposal equipment. The school makes appropriate use of the period poverty grant.
